As these initial terms expire, each Director position shall then be filled for terms of three (3) years each.

Any Director may waive notice of a meeting, or consent to the holding of a meeting without notice, or consent to any action proposed to be taken by the Board without a meeting. A Director's attendance at a meeting shall constitute his or her waiver of notice of said meeting. If required by law, Board meetings shall be open to the Members and notice shall be given to all Members as required.

Section 6. Removal. Any Director may be removed from office for cause by a majority vote of Members entitled to vote at any annual or special meeting of the Association, duly called, if allowed by law. (t) to exercise all powers and duties of the Association under the Declaration which are not otherwise specifically reserved to the Members.

Section 11. Non-Delegation. Nothing in this Article or elsewhere in these By-Laws shall be considered to grant to the Board, the Association or to the officers of the Association any powers or duties which, by law, have been delegated to the Members.

Section 12. Electronic/Telephone Attendance. At any meeting of the Board, a Director may attend by telephone, radio, television or other similar means of communication, provided the means permit the Director personally to participate in the meeting such that all Directors can hear and be heard by every other Director attending the meeting. A Director so attending shall be deemed to be present at the meeting for all purposes, including a determination as to whether a quorum is present. Except for any portion of the meeting conducted in executive session, all Members in attendance at the meeting may hear all Board members. Members are allowed to listen using any electronic or telephone communication method used or expected to be used by a Board member to participate, and the notice of the meeting shall include instructions for Members to access any communication method being used.

ARTICLE IV

(a) a President who shall be a Director and who shall preside over the meetings of the Board and of the Members, and who shall be the chief executive officer of the Association;

(c) a Secretary, who shall keep the minutes of all meeting of the Board and of the Members, and who shall, in general, perform all the duties incident to the office of Secretary, and who may be a representative of the Managing Agent and who may also be Treasurer;

(d) a Treasurer, who shall be responsible for financial records and books of account and the manner in which such records and books are kept and reported;

(e) such additional officers as the Board shall see fit to elect.

Section 2. Powers. The respective officers shall have the general powers usually vested in such officers; provided that the Board may delegate any specific powers to any other officer or impose such limitations or restrictions upon the powers of any officer as the Board may see fit.

Section 3. Term of Office. Each officer shall hold office for the term of one year and until his successor shall have been appointed or elected and qualified.

Section 4. Vacancies. Vacancies in any office shall be filled by the Board by a majority vote of the Board at a special meeting of said Board. Any officer may be removed for cause at any time by vote of a majority of the total membership of the Board at a special meeting thereof.

Section 5. Compensation. The officers shall receive no compensation for their services as officers, unless expressly provided for in a resolution duly adopted by a majority of the Members.

ARTICLE V
Amendments

The By-Laws may be altered, amended, or repealed and new By-Laws may be adopted by the vote of a majority of all of the members of the Board of Directors; and the provisions of these By-Laws which are covered by the Articles of Incorporation of the Association may not be amended except as provided in the Articles of Incorporation or applicable, law.

ARTICLE VI
Fiscal Year

The fiscal year of the Association shall begin July 1 of each year unless otherwise fixed by the Board from time-to-time.

ARTICLE VII
Indemnification

Section 1. When Indemnification is Required, Permitted and Prohibited.

(a) The Association shall indemnify a Director, officer, committee member, employee, or agent of the Association who was, is, or may be named defendant or respondent in any proceeding as a result of his or her actions or omissions within the scope of his or her official capacity in the Association. For the purposes of this article, an agent includes one who is or was serving at the request of the Association as a Director, officer, partner, venturer, proprietor, trustee, partnership, joint venture, sole proprietorship, trust, employee benefit plan, or other enterprise. However, the Association shall indemnify a person only if he or she acted in good faith and reasonably believed that the conduct was in the Association's best interests. In a case of a criminal proceeding, the person may be indemnified only if he or she had no reasonable cause to believe that the conduct was unlawful. The Association shall not indemnify a person who is found liable to the Association or is found liable to another on the basis of improperly receiving a personal benefit. A person is conclusively considered to have been found liable in relation to any claim, issue, or matter if the person has been adjudged liable by a court of competent jurisdiction and all appeals have been exhausted.

(b) The termination of a proceeding by judgment, order, settlement, conviction or on a plea of nolo contendere or its equivalent does not necessarily preclude indemnification by the corporation.

(c) The Association shall pay or reimburse expenses incurred by a Director, officer, Member, committee member, employee, or agent of the Association in connection with the person's appearance as a witness or other participation in a proceeding involving or affecting the Association when the person is not a named defendant or respondent in the proceeding.

(d) In addition to the situations otherwise described in this paragraph, the Association may indemnify a Director, officer, Member, committee member, employee, or agent of the

Association to the extent permitted by law. However, the Association shall not indemnify any person in any situation in which indemnification is prohibited by the terms of Section 1(a) above.

(e) Before the final disposition of a proceeding, the Association may pay indemnification expenses permitted by the By-Laws and authorized by the Association. However, the Association shall not pay indemnification expenses to a person before the final disposition of a proceeding if the person is a named defendant or respondent in a proceeding brought by the Association or one or more Members, or the person is alleged to have improperly received a personal benefit or committed other willful or intentional misconduct.

If the Association may indemnify a person under the By-Laws, the person may be indemnified against judgments, penalties, including excise and similar taxes, fines, settlements, and reasonable expenses (including attorney's fees) actually incurred in connection with the proceeding. However, if the proceeding was brought by or on behalf of the Association, the indemnification is limited to reasonable expenses actually incurred by the person in connection with the proceeding.

Section 2. Procedure Relating to Indemnification Payments.

(a) Before the Association may pay any indemnification expenses (including attorney's fees), the Association shall specifically determine that indemnification is permissible, authorize indemnification, and determine that expenses to be reimbursed are reasonable, except as provided in Section 2(c) below. The Association may make these determinations and decisions by any one of the following procedures:

(i) Majority vote of a quorum consisting of Directors who, at the time of the vote, are not named defendants or respondents in the proceeding.

(ii) If such a quorum cannot be obtained, by a majority vote of a committee of the Board of Directors, designated to act in the matter by a majority vote of all Directors, consisting solely of two or more Directors who at the time of the vote are not named defendants or respondents in the proceeding.

(iii) Determination by special legal counsel selected by the Board of Directors by vote as provided in Section 2(a)(i) or 2(a)(ii) or if such a quorum cannot be obtained and such a committee cannot be established, by a majority vote of all Directors.

(iv) Majority vote of Members, excluding Directors who are named defendants or respondents in the proceeding.

(b) The Association shall authorize indemnification and determine that expenses to be reimbursed are reasonable in the same manner that it determines whether indemnification is permissible. If the determination that indemnification is permissible is made by special legal counsel, authorization of indemnification and determination of reasonableness of expenses shall be made in the manner specified by Section 2(a)(iii) above, governing the selection of special legal counsel. A provision contained in the articles of incorporation, the By-Laws, or a resolution of Members or the Board of Directors that requires the indemnification permitted by Section 1, above, constitutes sufficient authorization of indemnification even though the provision may not have been adopted or authorized in the same manner as the determination that indemnification is permissible.

(c) The Association shall pay indemnification expenses before final disposition of a proceeding only after the Association determines that the facts then known would not preclude indemnification and the Association receives a written affirmation and undertaking from the person to be indemnified. The determination that the facts then known to those making the determination would not preclude indemnification and authorization of payment shall be made in the same manner as a determination that indemnification is permissible under Section 2(a) above. The person's written affirmation shall state that he or she has met the standard of conduct necessary for indemnification under the By-Laws. The written undertaking shall provide for repayment of the amount paid or reimbursed by the Association if it is ultimately determined that the person has not met the requirements for indemnification. The undertaking shall be an unlimited general obligation of the person, but it need not be secured and it may be accepted without reference to financial ability to make repayment.

(d) Any indemnification or advance of expenses shall be reported in writing to the Members of the Association. The report shall be made with or before the notice or waiver of notice of the next membership meeting, or with or before the next submission to Members of a consent to action without a meeting. In any case, the report shall be sent within the 12-month period immediately following the date of the indemnification or advance.

ARTICLE VIII **Association Dues**

Section 1. Garbage Service. The Board of Directors, on behalf of the Association, may contract with any one or more companies to provide for garbage service for the Building Site owners who agree to pay their reasonable share of the cost of such service. The Board of Directors shall determine the share of such garbage collection costs for each Building Site, and shall send periodic bills to all Building Site owners who subscribe for such service. For any owner who fails, for any reason, to pay the garbage service for their Building Site, the Association shall instruct its contractor to cease garbage collection services for such Building Site.

Section 2. Other Funds. In addition to charges for garbage collection services, the Association may, upon advanced determination by the Board of Directors and upon approval by the majority vote of the Members voting in person or by proxy at any regular or annual meeting of the Members, charge the Building Site owners additional sums to pay for matters for the benefit of River Plantation, such as bridge, culvert and road repair, weather damage repair, street signs, lights, and markings, office facilities and equipment for the Association, constructing and maintaining recreational facilities for the residents of River Plantation including, but not limited to, children's recreational areas and facilities, and hike and bike trails, and other similar items. Such additional items shall be billed to Building Site owners on any basis and at any time determined by the Board of Directors.

In case of any conflict between the Articles of Incorporation and these By-Laws, the Articles of Incorporation shall control. Should all or part of any Article of these By-Laws be in

conflict with the provisions of Chapter 22, Nonprofit Corporations, of the Texas Business Organizations Code or any other Texas law, such act or law shall control.
